

# CALLING ALL VOLUNTEERS!

Help us keep everyone safe.

**Donate disposable masks or make your own from home to be worn at the ReStores and Construction sites once we re-open.**

## ONE DIY EXAMPLE:

Check out this how to [video](#) to make easy no-sew shop towel masks.

**Make it from home with easy-to-find materials.**

To help meet the new state and local guidelines, all ReStore staff and volunteers for our build sites will be required to wear masks. You can help us by donating your extras or making your own from home.

**For more information and/or help with tracking volunteer hours, please contact our Volunteer Coordinator, Sandra Limjuco, at [sandra.limjuco@habitatmm.org](mailto:sandra.limjuco@habitatmm.org)**
