WOMEN BUILD 2023

Everyone
deserves a decent
and affordable
place to live.

YOU are a strong
woman, with the
capability and
determination
necessary to make a
difference in the
lives of families.

Your Corporate
Sponsored Team
guarantees your team a
Women Build day on a Habitat
home construction site,
swinging hammers and
building hope!

Habitat for Humanity's **Women Build** program promotes the involvement of women in the construction industry. Women Build works to recruit, nurture, and train women to build and repair homes to help their fellow neighbors. All participants must be 18+.

Funds raised will support Habitat for Humanity programs.

Women Build does not exclude men—it encourages women to become empowered to break down stereotypes and show what we can do when we come together!

How will Women Build impact affordable housing in our community?

First and most importantly, you are key to Habitat's mission of building homes, communities, and hope. You will come together with other women for a unique and empowering experience. You will experience team building and networking in an entirely new way, with a day filled with construction work, meals, snacks, goodie bags, and more!

Keep your team members informed throughout the build, by providing us with your team member names and emails. They will receive weekly Women Build updates from April through June.

Once your team is formed, help us prepare for your build day by providing your team members' t-shirt sizes.

YOU'VE MADE YOUR PERSONAL FUNDRAISING PAGE. NOW WHAT?

This is what a personal fundraising page looks like. Customize it to make it your own. Add a profile picture and edit the **“My Story”** section to give your profile a personal twist. Tell your friends and family about Women Build, Habitat’s mission, and why you are fundraising for Habitat for Humanity Metro Maryland! You can update your donors, family, and friends on your fundraising progress by adding pictures, videos, or text using the **“Manage”** button on your page.

The screenshot displays a personal fundraising page for Habitat for Humanity Metro Maryland. The header features the organization's logo and navigation icons. The main banner image shows several open cans of blue paint and a paintbrush. Below the banner, the fundraiser's name is displayed, along with a progress bar indicating that \$175 has been raised out of a \$350 goal. A yellow 'DONATE' button is visible. WHAT DOES A TEAM PAGE SHOW?

This is the “Habitat’s Hearts and Hammers ” team page. It’s very similar to a personal fundraising page. It also has a sharing toolbar, the “About” sidebar, a place for the team to share its story, and information tracking the team’s progress towards its goal. The Fundraiser’s sidebar tracks team ranking and each team member’s fundraising.

FREQUENTLY ASKED QUESTIONS

For more FAQs please visit the Classy Help Center at <http://www.classy.org/help-center/basics>

Do I need construction experience or expertise?

Absolutely not. No construction experience required. We will provide you with all the safety gear, tools, and know-how you will need. Our talented volunteer Crew Leaders will show you the ropes.

Can I join more than one team?

You can only associate your personal fundraising page with one team.

What happens when someone donates directly to a team's page?

The money donated directly to a team page is reflected in the team page total. It is **NOT** reflected in any of the individual team members' totals. If you want a donation to show up in your personal total AND the team total, you should have the donor contribute through your personal page.

If I donate to an individual or team fundraising page, who will have access to my information?

When you make a donation through an individual or team fundraising page, HFHMM will have access to your contact information. If you contribute through a personal fundraising page, then the person that created that page will have access to a report with your contact information. If you contribute through a personal fundraising page associated with a team or if you contribute directly to a team fundraising page, then the person that created the team page will also have access to a report with your contact information.

What if I don't want to fundraise and just want to donate the \$350 so that I can participate in Women Build?

No problem! You still need to "become a fundraiser" and make the donation to your page.

Can youth volunteer at the build site?

Children and youth of all ages can assist with fundraising efforts, however, participants on the build site must be 18 years or older. However, we do have other volunteer opportunities for our younger supporters. Contact us for more information.

What if someone can only stay half the day?

We strongly encourage participants to stay the entire day (8:30 am – 3:30 pm) as they will feel a greater sense of accomplishment and take part in all the perks the day has to offer. In the event of an emergency, we do understand and ask that you contact the Habitat staff as soon as possible.

How does Habitat empower women?

We at Habitat have the ability to provide opportunities for hands-on learning, and given these tools, women can succeed in changing their communities. Nationally, more than 60% of Habitat for Humanity's projects are homes to female head of households. Due to skills they learn while building their Habitat home, these women are better equipped to maintain their homes, and consequently, more confident in their ability to cope with day-to-day situations.

WHAT IF MY SUPPORTERS WANT TO MAKE THEIR DONATION IN THE FORM OF CASH OR A CHECK?

While the online fundraising tool is very handy, cash and checks are welcome, too! Just provide the donation form (on the next page of this packet) to your donors. **Donations should be sent to Habitat for Humanity by June 30, 2023.** All checks should be made out to Metro Maryland Habitat for Humanity, with "Women Build (or WB)" and the participant's name written in the memo line. When you send funds given to you to Habitat, please include a copy of this donation form because we want to be sure to credit you for the gifts! Your cash/checks will be credited to your web page as "offline" donations.
