## WHAT'S A TABLE HOST?

**Table hosts are the leaders for the Building Hope From Home Virtual Morning Mixer.**

- By volunteering as a Table Host, you commit to filling a virtual “table” with your friends, colleagues, family members and other interested parties who will be so inspired by the Habitat story that they will feel compelled to donate and advocate for affordable housing.
- There is no minimum donation – you can ask your guests to make a suggested donation of whatever amount they feel comfortable making toward our mission of building strength, stability, self-reliance and affordable housing.

**We're sure that when you and your guests see what we are doing and hear from Habitat homeowners, you'll all be moved to action.**

## HOW DO I GET STARTED?

- 1) **Contact our Special Events Manager, Lisseth Orellana, at [lisseth.orellana@habitatmm.org](mailto:lisseth.orellana@habitatmm.org) to confirm your support and to receive your Table Host packet.**
