What is Women Build?

Women from your area join together in a multi-month effort to build affordable homes for lower-income, hardworking families in the community. 60 teams of 10 women and others work together to raise awareness, raise funds, and literally raise the roof of a Habitat home. Our goal is to raise at least \$350,000 to support building homes with lower-income families in Montgomery and Prince George's Counties.

Each Women Build team of up to 10 team members will learn new skills while helping to complete affordable homes for Habitat Partner Families.
