WHAT IS WOMEN BUILD?

Women Build is a multi-month event that brings women and participants of all genders together to learn new skills, strengthen community, and help build affordable homes alongside lower-income hardworking families.

This year, 60 teams of up to 10 participants will raise a minimum of \$400 per person, working collectively toward our \$330,000 goal.

Lead a team. Join a team. Every Women Build team gains hands-on experience while helping complete safe, affordable homes for Habitat Partner Families.
