WOMEN BUILD 2026

Everyone deserves a decent and affordable place to live.

YOU are a strong woman, with the capability and determination necessary to make a difference in the lives of families.

Your Corporate Sponsored Team guarantees your team a Women Build day on a Habitat home construction site, swinging hammers and building hope!

Habitat for Humanity's Women Build program promotes the involvement of women in the construction industry. Women Build works to recruit, nurture, and train women to build and repair homes to help their fellow neighbors. All participants must be 18+.

Funds raised will support Habitat for Humanity programs.

Women Build does not exclude men and others – it encourages women to become empowered to break down stereotypes and show what we can do when we come together!

How will Women Build impact affordable housing in our community?

First and most importantly, you are key to Habitat's mission of building homes, communities, and hope. You will come together with other women for a unique and empowering experience. You will experience team building and networking in an entirely new way, with a day filled with construction work, meals, snacks, goodie bags, and more!

Keep your team members informed throughout the build, by providing us with your team member names and emails. They will receive weekly Women Build updates from March through June.

Once your team is formed, help us prepare for your build day by providing your team members' t-shirt sizes.

A short URL can make it easier for people to find your team page and donate. But, it is not necessary to fundraise successfully.

A screenshot of a web form titled "Create your page". It contains several fields: a checkbox labeled "I'm fundraising to honor someone else", a section for "Set your fundraising goal" with a dropdown menu set to "USD" and a text input showing "\$ 400.00", a "Your Page's Headline" text input field, a "Set your Fundraising Page's Short URL (optional)" section with a text input showing "https://give.classy.org/ExampleShortUrl" and a "Start typing" placeholder, and a checkbox labeled "It's okay to contact me in the future.". A "NEXT" button is at the bottom.

Your personal fundraising goal is set at a minimum of \$400.

Incentives start at \$800 and prizes are awarded at each level.

We encourage you to raise more! The more you raise helps us build more homes.

Congratulations!
You've made your own fundraiser page.
Now, the fun begins!

Individual Fundraising Page

This is what a personal fundraising page looks like. Customize it to make it your own. Add a profile picture and edit the “My Story” section to give your profile a personal twist. Tell your friends and family about Women Build, Habitat’s mission, and why you are fundraising for Habitat for Humanity Metro Maryland! You can update your donors, family, and friends on your fundraising progress by adding pictures, videos, or text using the “Manage” button on your page.

The screenshot displays a fundraising page for Leah E. Melo. At the top left is the Habitat for Humanity Metro Maryland logo. To the right are search and share icons. The main header image shows a person's hand in a pink glove using a circular saw on a wooden floor. Below this, on the left, is a smaller image of two pink hard hats with the Habitat logo. The fundraiser's name, "Fundraiser's Name", is displayed in the center, with a "SHARE" button to its right. Below the name, it shows "\$200 Raised" out of a "\$400" goal, with a progress bar and a blue "DONATE" button. The page has two tabs: "STORY" (selected) and "UPDATES" (with a notification icon). The "STORY" section contains the text: "Thanks for visiting my fundraising page! Please help me support Habitat for Humanity Metro Maryland by making a donation through my page. The process is fast, easy and secure. Thanks so much for your support... and please don't forget to send this page to any friends you think might be interested in donating!" Below the story are icons for heart, comment, and share. The "UPDATES" section shows a post by Leah E. Melo, titled "Latest Update", dated "Update #1" on "Thu Jan 08 2026 15:24:25 GMT-0500". It includes heart, comment, and share icons, and a "READ UPDATE" link with a right arrow.

Frequently Asked Questions

For more FAQs please visit the Classy Help Center at <http://www.classy.org/help-center/basics>.

Do I need construction experience or expertise?

Absolutely not. No construction experience required. We will provide you with all the safety gear, tools, and know-how you will need. Our talented volunteer Crew Leaders will show you the ropes.

Can I join more than one team?

You can only associate your personal fundraising page with one team.

What happens when someone donates directly to a team's page?

The money donated directly to a team page is reflected in the team page total. It is NOT reflected in any of the individual team members' totals. If you want a donation to show up in your personal total AND the team total, you should have the donor contribute through your personal page.

If I donate to an individual or team fundraising page, who will have access to my information?

When you make a donation through an individual or team fundraising page, HFHMM will have access to your contact information. If you contribute through a personal fundraising page, then the person that created that page will have access to a report with your contact information. If you contribute through a personal fundraising page associated with a team or if you contribute directly to a team fundraising page, then the person that created the team page will also have access to a report with your contact information.

What if I don't want to fundraise and just want to donate the \$400 so that I can participate in Women Build?

No problem! You still need to "become a fundraiser" and make the donation to your page.

Can youth volunteer at the build site?

Children and youth of all ages can assist with fundraising efforts, however, participants on the build site must be 18 years or older. However, we do have other volunteer opportunities for our younger supporters. Contact us for more information.

What if someone can only stay half the day?

We strongly encourage participants to stay the entire day (8:30 am – 3:00 pm) as they will feel a greater sense of accomplishment and take part in all the perks the day has to offer. In the event of an emergency, we do understand and ask that you contact the Habitat staff as soon as possible.

How does Habitat empower women?

We at Habitat have the ability to provide opportunities for hands-on learning, and given these tools, women can succeed in changing their communities. Nationally, more than 60% of Habitat for Humanity's projects are homes to female head of households. Due to skills they learn while building their Habitat home, these women are better equipped to maintain their homes, and consequently, more confident in their ability to cope with day-to-day situations.

WHAT IF MY SUPPORTERS WANT TO MAKE THEIR DONATION IN THE FORM OF CASH OR A CHECK?

While the online fundraising tool is very handy, cash and checks are welcome, too! Just provide the donation form (on the next page of this packet) to your donors. Donations should be sent to Habitat for Humanity by June 30, 2026. All checks should be made out to Metro Maryland Habitat for Humanity, with “Women Build (or WB)” and the participant’s name written in the memo line. When you send funds given to you to Habitat, please include a copy of this donation form because we want to be sure to credit you for the gifts! Your cash/checks will be credited to your web page as “offline” donations.
