

Annual Report FY24

July 2023- June 2024

About us

Founded in 1982, Habitat for Humanity Metro Maryland (HFHMM) creates opportunities for lower-income families to break the cycle of poverty through homeownership. We believe a decent place to live and an affordable mortgage enables homeowners to save more, invest in education, pursue opportunities and gain financial stability. Since we began, we have mobilized the community to work alongside families to build 105 new homes and complete 855 home preservation projects throughout Montgomery and Prince George's Counties. In doing so, we have helped over 1,667 people realize strength, stability and self-reliance through affordable housing. We have issued over \$16 million in zero-interest financing and spent over \$24 million on construction in the local community. HFHMM's programs serve lower-income families who earn up to 80% of the area median income (AMI), who cannot secure conventional financing for either purchasing a new home or making repairs to their existing property, and who live in substandard housing or experience significant housing cost burdens. Our partner families must also complete sweat equity to build their future home, creating a collaborative and empowering experience.

Letter from Board Chairman

Dear Friends of Affordable Housing,

The 2024 fiscal year for Habitat for Humanity Metro Maryland is deserving of both congratulations and thanks. First, congratulations for positively changing the lives of 92 families in Prince George's and Montgomery Counties by providing new homes and through the preservation of existing homes for our neighbors in need. This brings us to 748 families impacted since our founding more than 40 years ago. Second, thank you to the activities of our staff who made this possible through the hard work of construction, renovation, neighborhood engagement, operating Habitat ReStores, and advocacy. And finally, a big thank you to all who volunteered on construction sites, in our ReStores, on school-based projects near future Habitat homes, and generously donated funds to make our mission possible.

We continue to make progress on our goals to serve more individuals and families, and build strength, stability, and self-reliance through affordable homeownership, and making a greater impact in the communities we serve. Below are just a few examples of that progress:

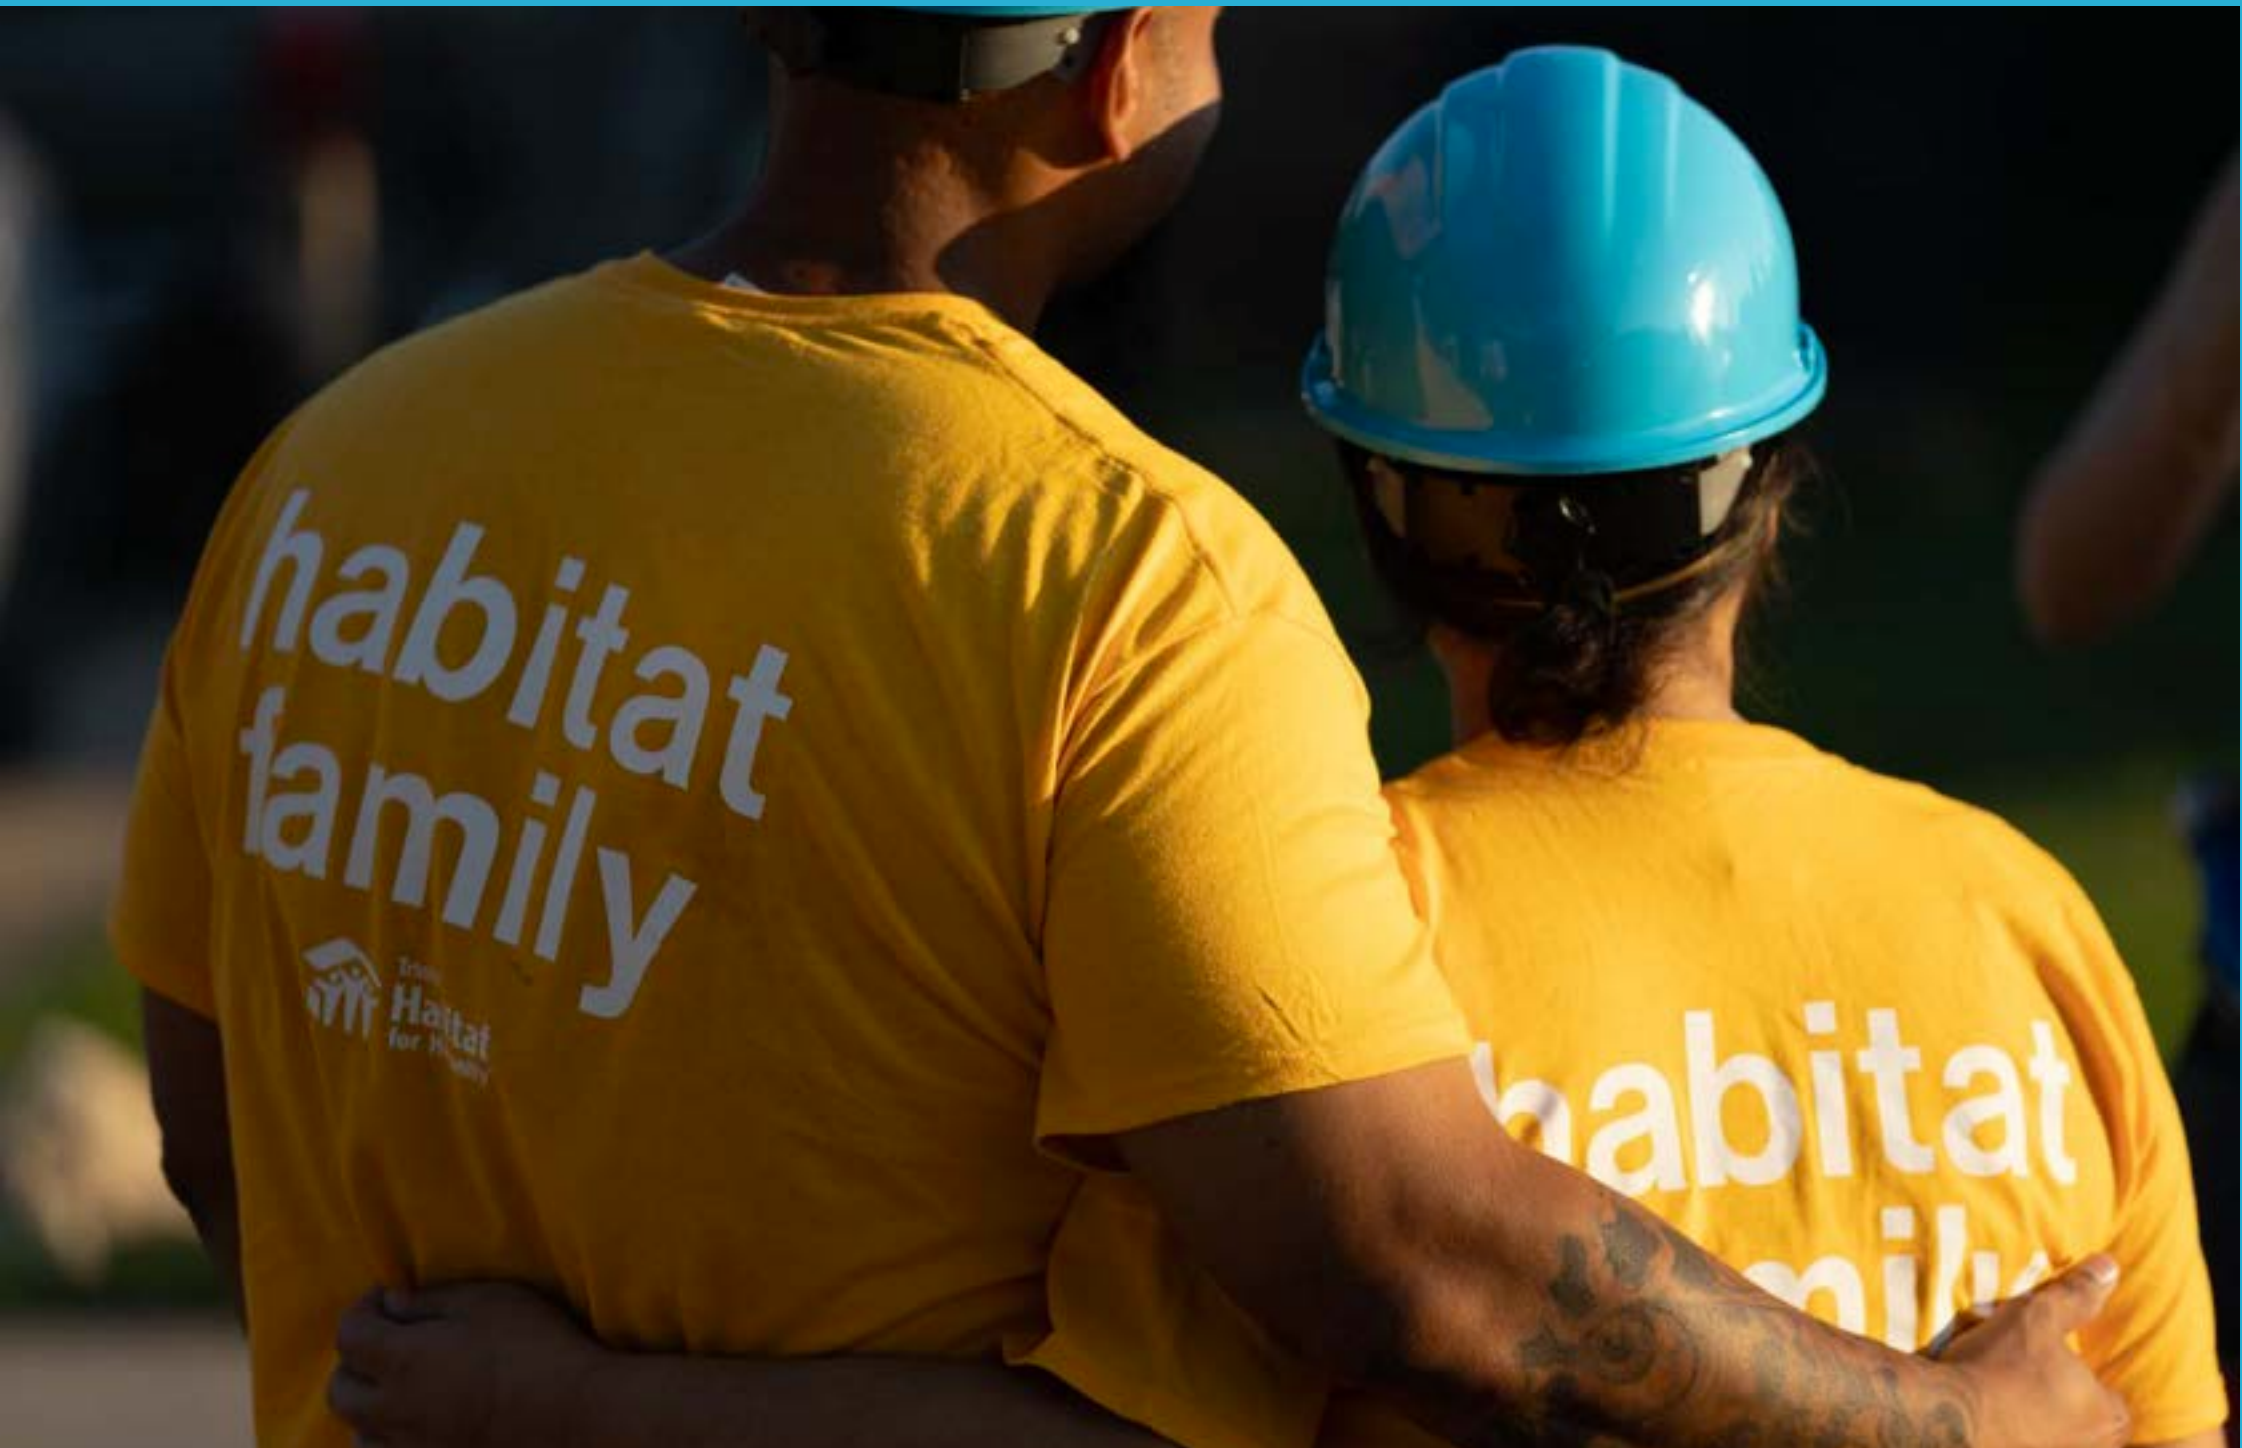

- Purchasing and renovating 10 townhomes in Montgomery Village, as well as the largest home in our history in Beltsville, bringing HFHMM's total number of active homeownership projects to 41; representing the largest number of active home construction projects in a single year.
- Beginning volunteer-friendly work at Allium Place, our largest project to date; Women Build teams launched volunteer engagement along with our corporate, faith and other community teams to make significant progress on three single-family homes while construction efforts continued to move forward on 24 condominiums co-located in the affordable housing community.
- Completing 123 critical home repair and accessibility projects, serving 92 families comprised of 187 individuals.
- Organizing successful fundraising events: Through our 4th Annual Polo Classic, 15th Annual Benefit Breakfast for Affordable Housing, Women Build 2024, 19th Annual Golf Tournament, and other events such as the Harmony for Humanity Interfaith Concert, we have raised significant funds to support our mission and continue Habitat's vital work.
- Forging a stronger partnership with Montgomery County Public Schools (MCPS) to bring volunteers and community members together for school-based neighborhood engagement projects to build stronger communities near future Habitat homes.
- Engaging with the community: We remain committed to building more diverse teams of volunteers and strong relationships with our partners and stakeholders, and we have enjoyed numerous opportunities to connect with the community with corporate, faith and community engagement activities.

It takes an amazing staff and committed community members for us to continue to make a meaningful difference in Prince George's and Montgomery counties. We look forward to continuing this momentum into the future, and having many more reasons to offer congratulations and thanks.

Sincerely,

Gerard McLoughlin
Habitat for Humanity Metro Maryland Board Chair

Our Impact

Since 1982

New Construction: 105

Home Preservation: 855

In FY24

Projects completed: 123

Families impacted: 92

Economic Impact

Over \$24 million spent in local construction

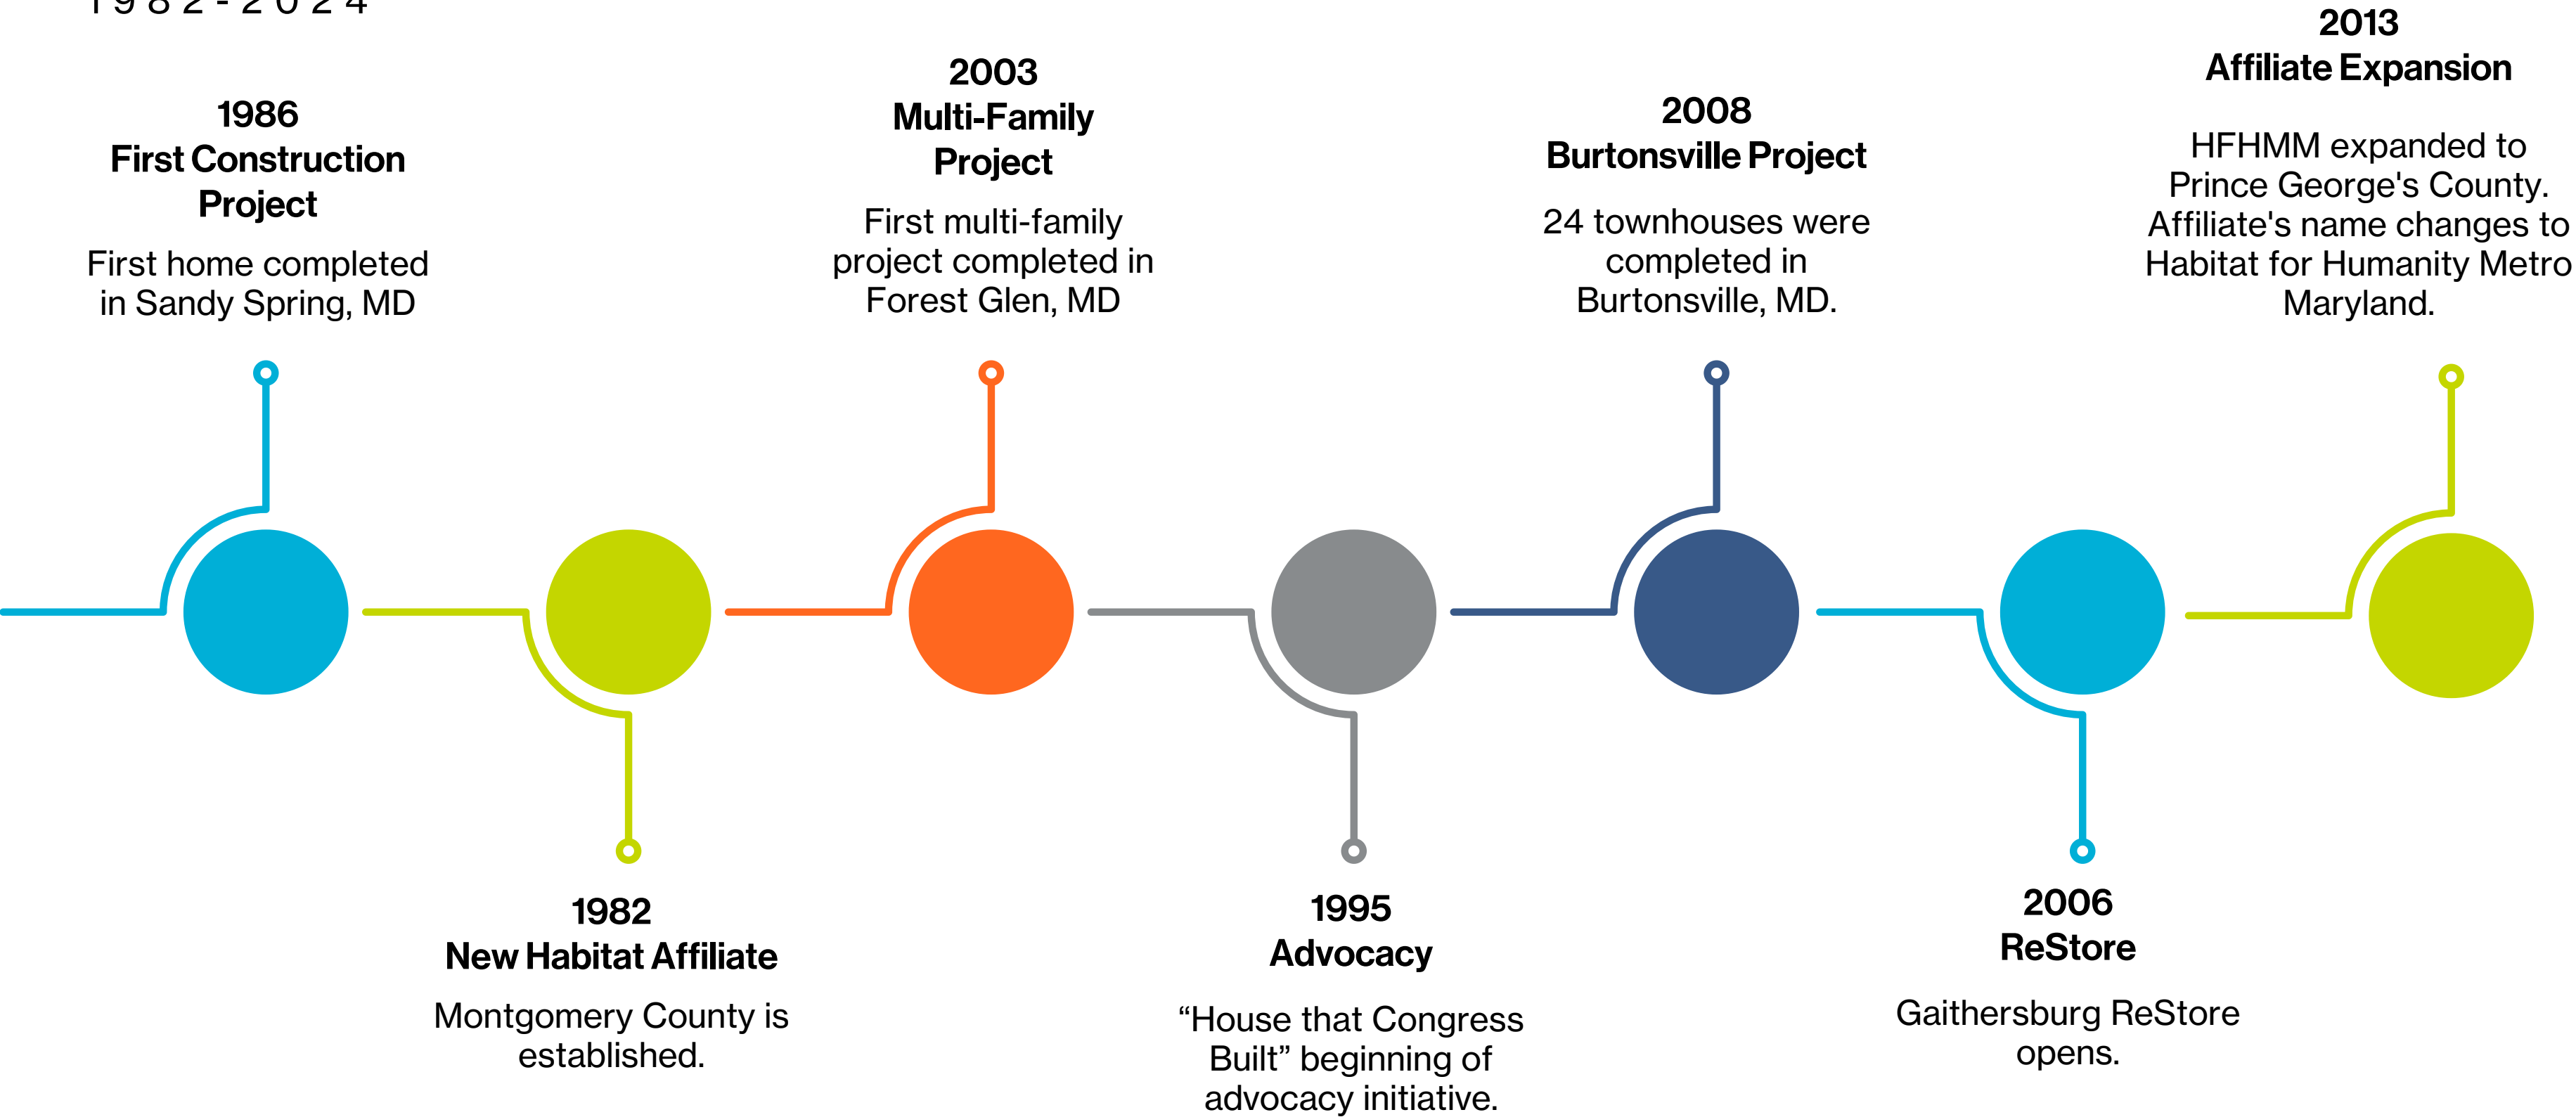

Over \$16 million in zero interest loans extended to families

Over \$1 million in property taxes paid by Habitat homeowners since 1982

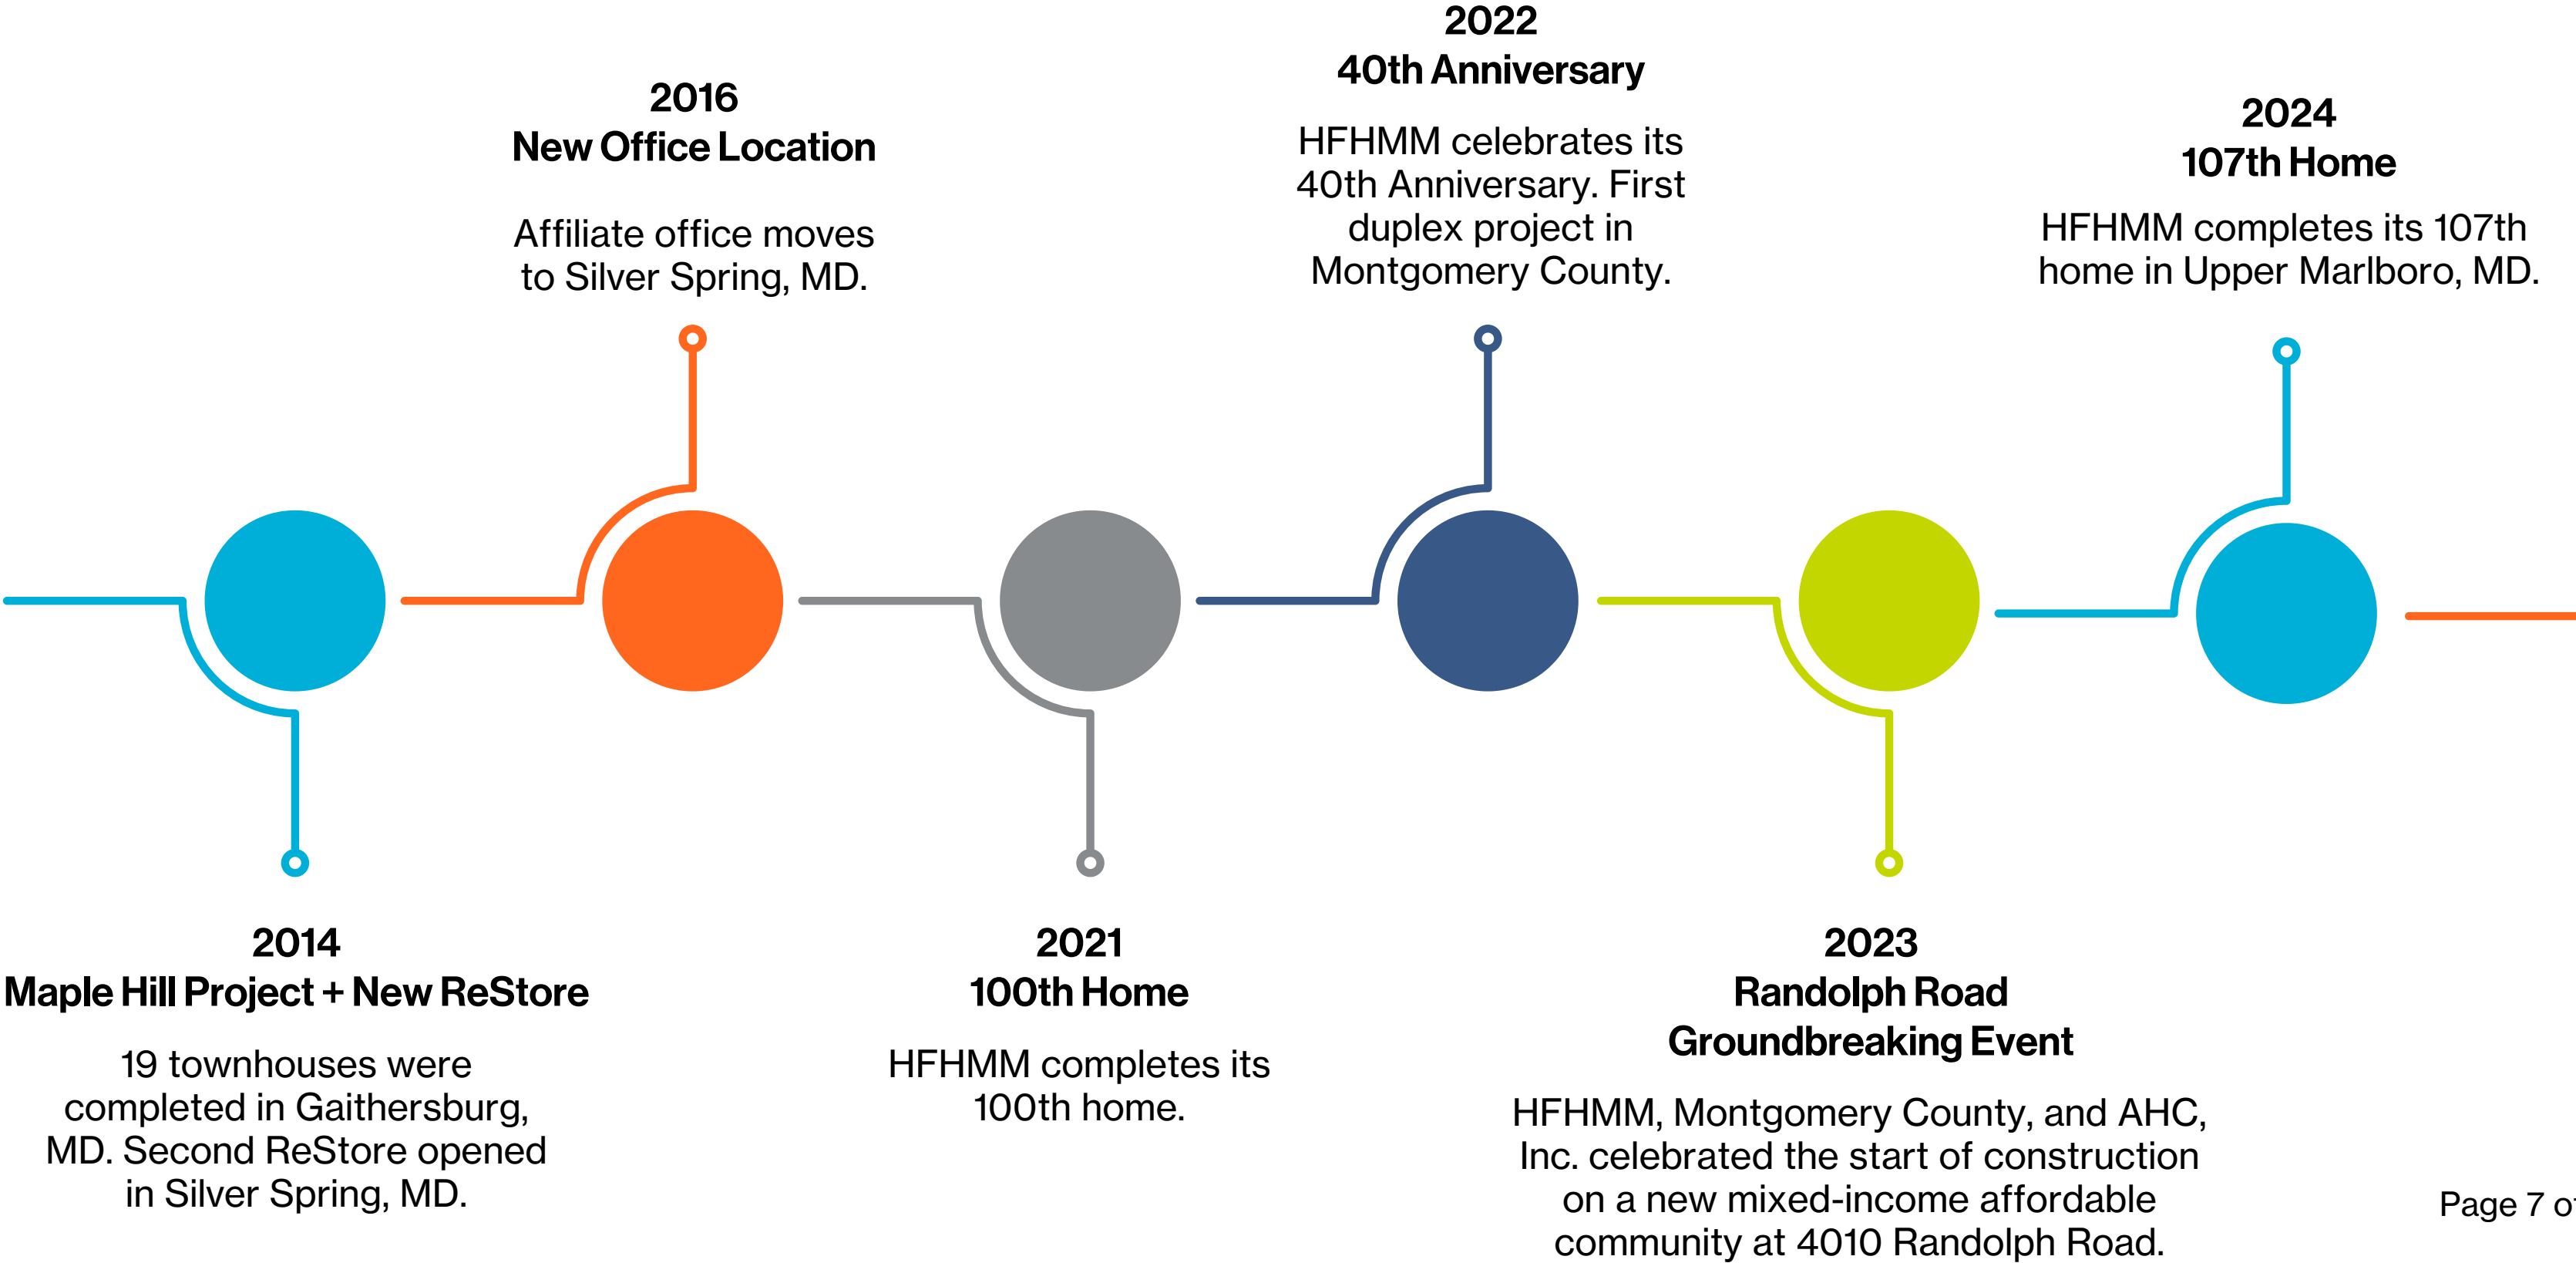

Our History

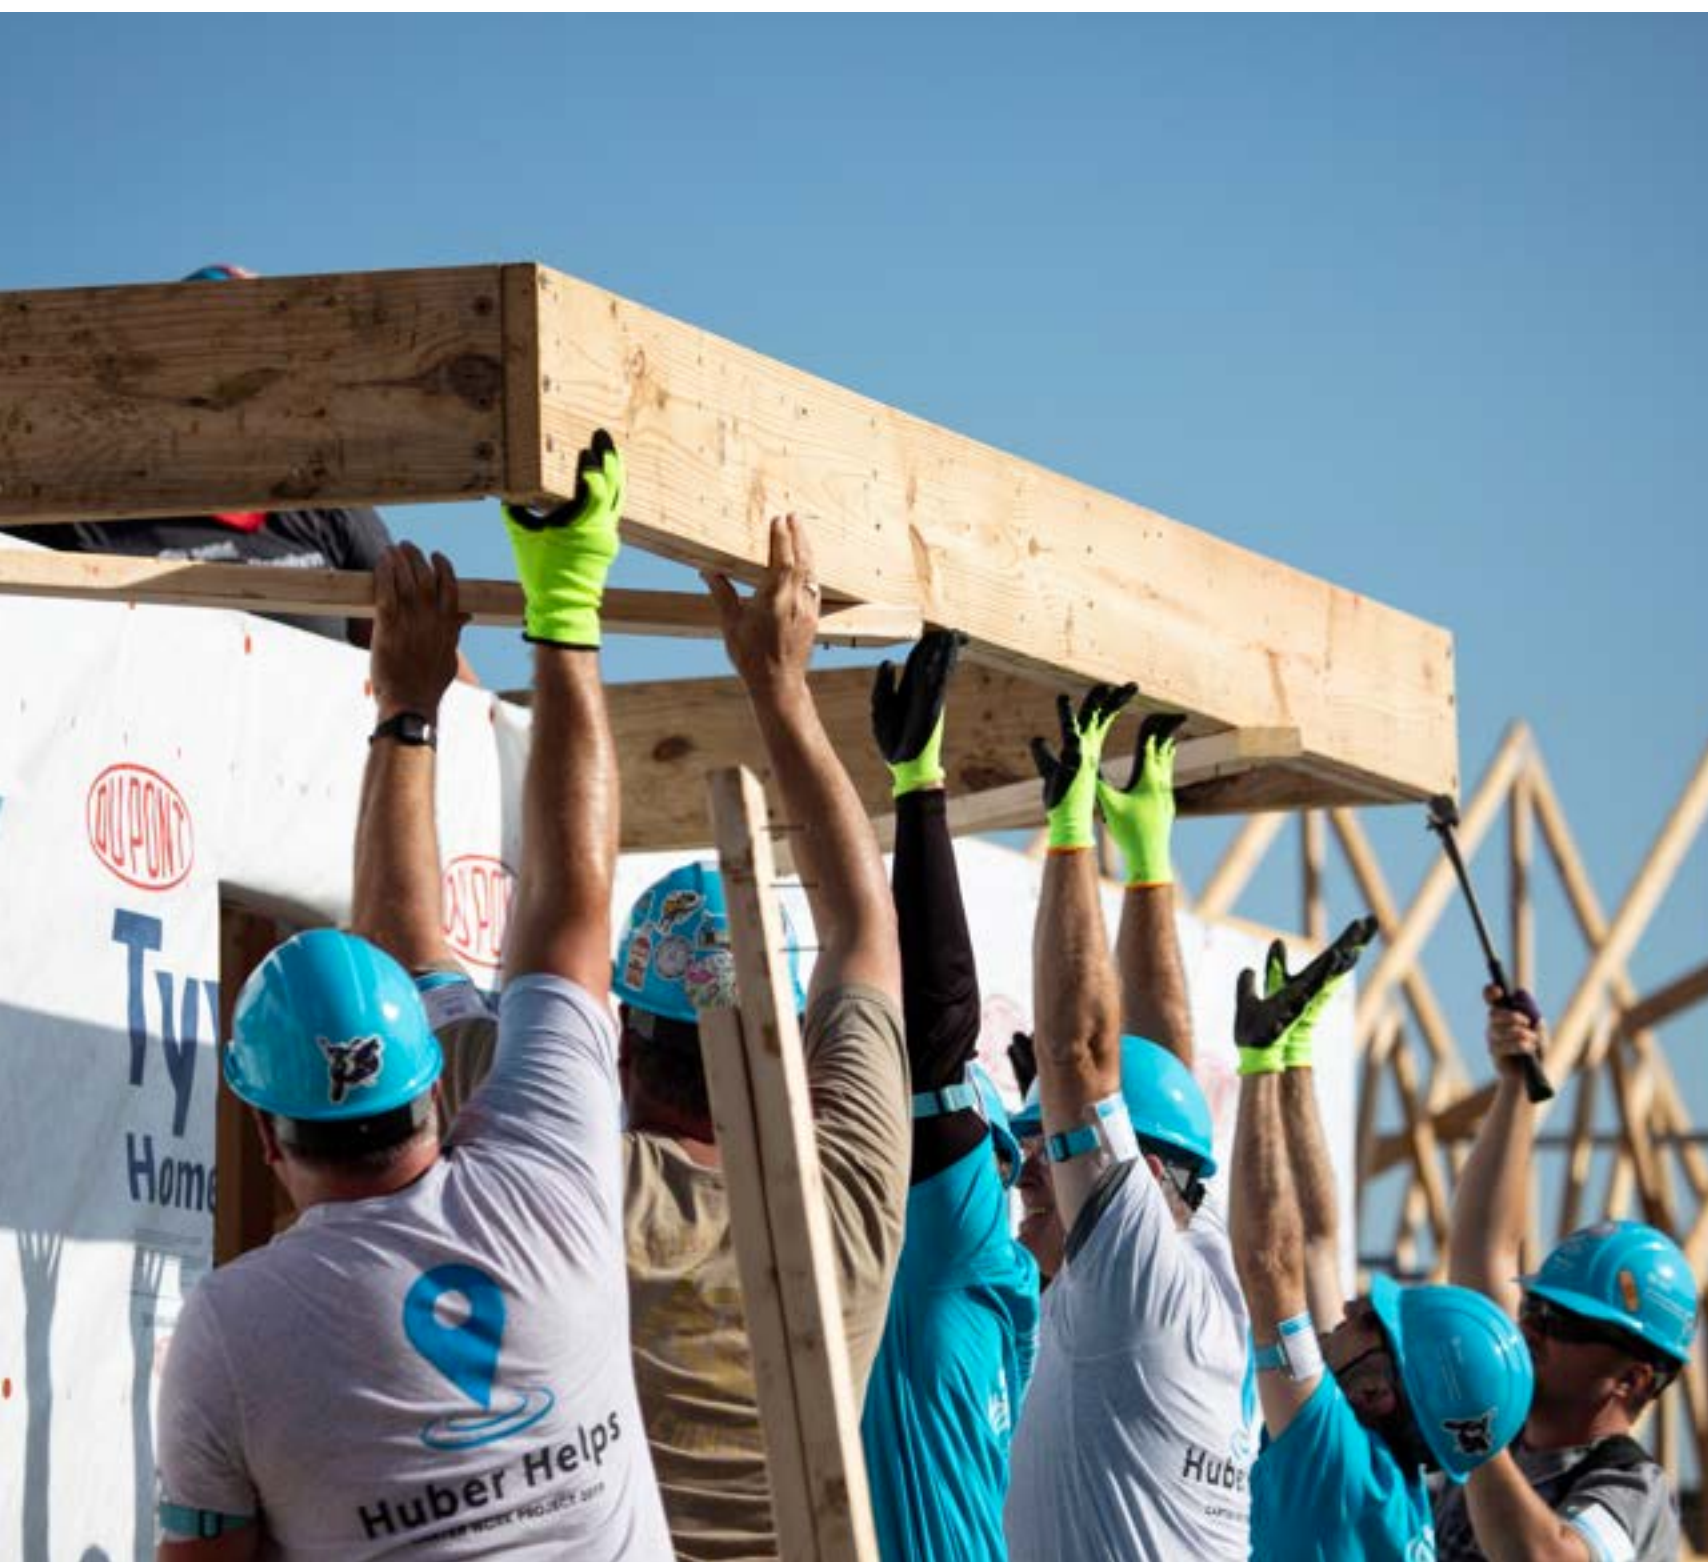

1982 - 2024

Our History

1982 - 2024

Volunteers

Volunteers are the hands, hearts and voices for our mission to provide affordable housing solutions. In FY24, Habitat for Humanity Metro Maryland engaged nearly 5,000 individual volunteers in our offices, ReStores, and on our construction sites for more than 34,000 hours. All of these efforts combined saved HFHMM over \$1M in FY24.

 **Total FY24 Volunteers: 4,872**

 **Total FY24 Hours: 34,755**

 **Total FY24 Saved: \$ 1,163,945**

Success Story

Ms. Sampson - Repair Client

[LISTEN TO HER STORY](#)

Ms. Tawana Sampson has called Prince George's County her home for the past 18 years. Over the years, her home became a treasured space filled with memories. However, like many homeowners, she found that the wear and tear of time began to take a toll on her house. Repairs she needed to maintain her home safely and comfortably became increasingly costly. That's when she turned to Habitat for Humanity's Prince George's Homeownership Preservation Program (HOPP) for help.

Earlier this year, two Habitat team members, visited Ms. Sampson’s home to assess the scope of work required. What began as a simple assessment evolved into a collaborative effort involving a few of our trusted contractors, including GoGo Access, Bertin Concrete, G11, and Central Exteriors. One of the major projects undertaken was repairing Ms. Sampson’s roof, an essential upgrade to protect her home from the elements and improve her overall living conditions. Our proud partners at Central Exteriors played a key role in this, installing a high-quality four-star roof that Ms. Sampson could rely on.

Additionally, GoGo Access installed grab bars in the bathroom, comfort height toilet, railings, flooring to reduce the possibility of falls, and a sliding door replacement among other things. G-11 replaced switches, replaced outlets with GFCI’s and completed a heavy up. This significant investment was made possible through the generous support of the Prince George’s Department of Housing and Community Development and other community partners.

Thanks to the work of our skilled contractors and the support of HOPP, Ms. Sampson can continue to live in the home she loves, knowing that it is safe, comfortable, and built to last for years to come.

ReStore

Habitat for Humanity ReStores play an integral part in Habitat's mission, generating unrestricted revenue for our work. This enables more homeowners to achieve the strength, stability and self-reliance they need to build better lives for themselves and their families. Habitat for Humanity Metro Maryland proudly owns and operates two ReStores. From its humble beginnings in a cramped space on Gaither Road in Gaithersburg in 2006, ReStore has become one of the largest contributors to HFHMM's affordable housing program in Montgomery and Prince Georges Counties. By purchasing and donating to the ReStore, everyone not only gets great deals on materials, they also help fund the construction of homes in our local community and divert tons of materials from the landfills. Our sustained success and exceptional product offerings are a direct result of the communities we serve. We are committed to maintaining a strong community partnership.

Total FY24 ReStore Sales: \$2,395,772

Total FY24 Items Sold: 242,878

PROGRAMS

Home Preservation (Formerly Home Repair Program)

Habitat for Humanity Metro Maryland is committed to preserving and enhancing homes within our community, focusing our efforts on three areas: home repair, accessibility, and climate resiliency. Our programs provide essential services, improving health, safety, and comfort for lower-income homeowners, veterans, older adults, and individuals with disabilities, and allowing them to remain comfortably in their homes, age in place, reduce energy costs, and maintain a secure environment.

Projects completed under our home repair programs address essential structural and safety needs. Accessibility projects provide modifications that allow residents to safely and independently navigate their space. Weatherization and solar projects improve energy efficiency and indoor air quality while reducing utility costs. In FY 24, we launched a solar panel installation program, providing renewable energy solutions at no cost, and creating resilient, eco-friendly homes.

At HFHMM, we believe a stable, safe, and accessible home is foundational to well-being. Our Home Preservation Programs exemplify our commitment to creating a lasting impact for families across Montgomery and Prince George’s Counties. By focusing on home repair, accessibility, and climate resiliency, HFHMM empowers residents to maintain a secure environment, preserve wealth for future generations, and strengthen our communities.

 **FY24 Repair & Accessibility Projects: 79**

 **FY24 Climate Resiliency Projects: 44**

Advocacy

Habitat for Humanity Metro Maryland believes EVERYONE should have access to safe, stable, healthy and affordable housing. For far too long, housing segregation and discrimination have caused massive inequities in health outcomes, educational outcomes, future income potential, wealth, and access to high quality food, public amenities, and transportation. We must work collectively to dismantle systemic racism and income inequities to ensure EVERYONE has access to communities of opportunity and high quality, affordable housing. While Habitat supports housing along the continuum, it is hyper focused on equitable access to homeownership, ensuring families can build generational wealth.

HFHMM focuses on policies in the following areas:

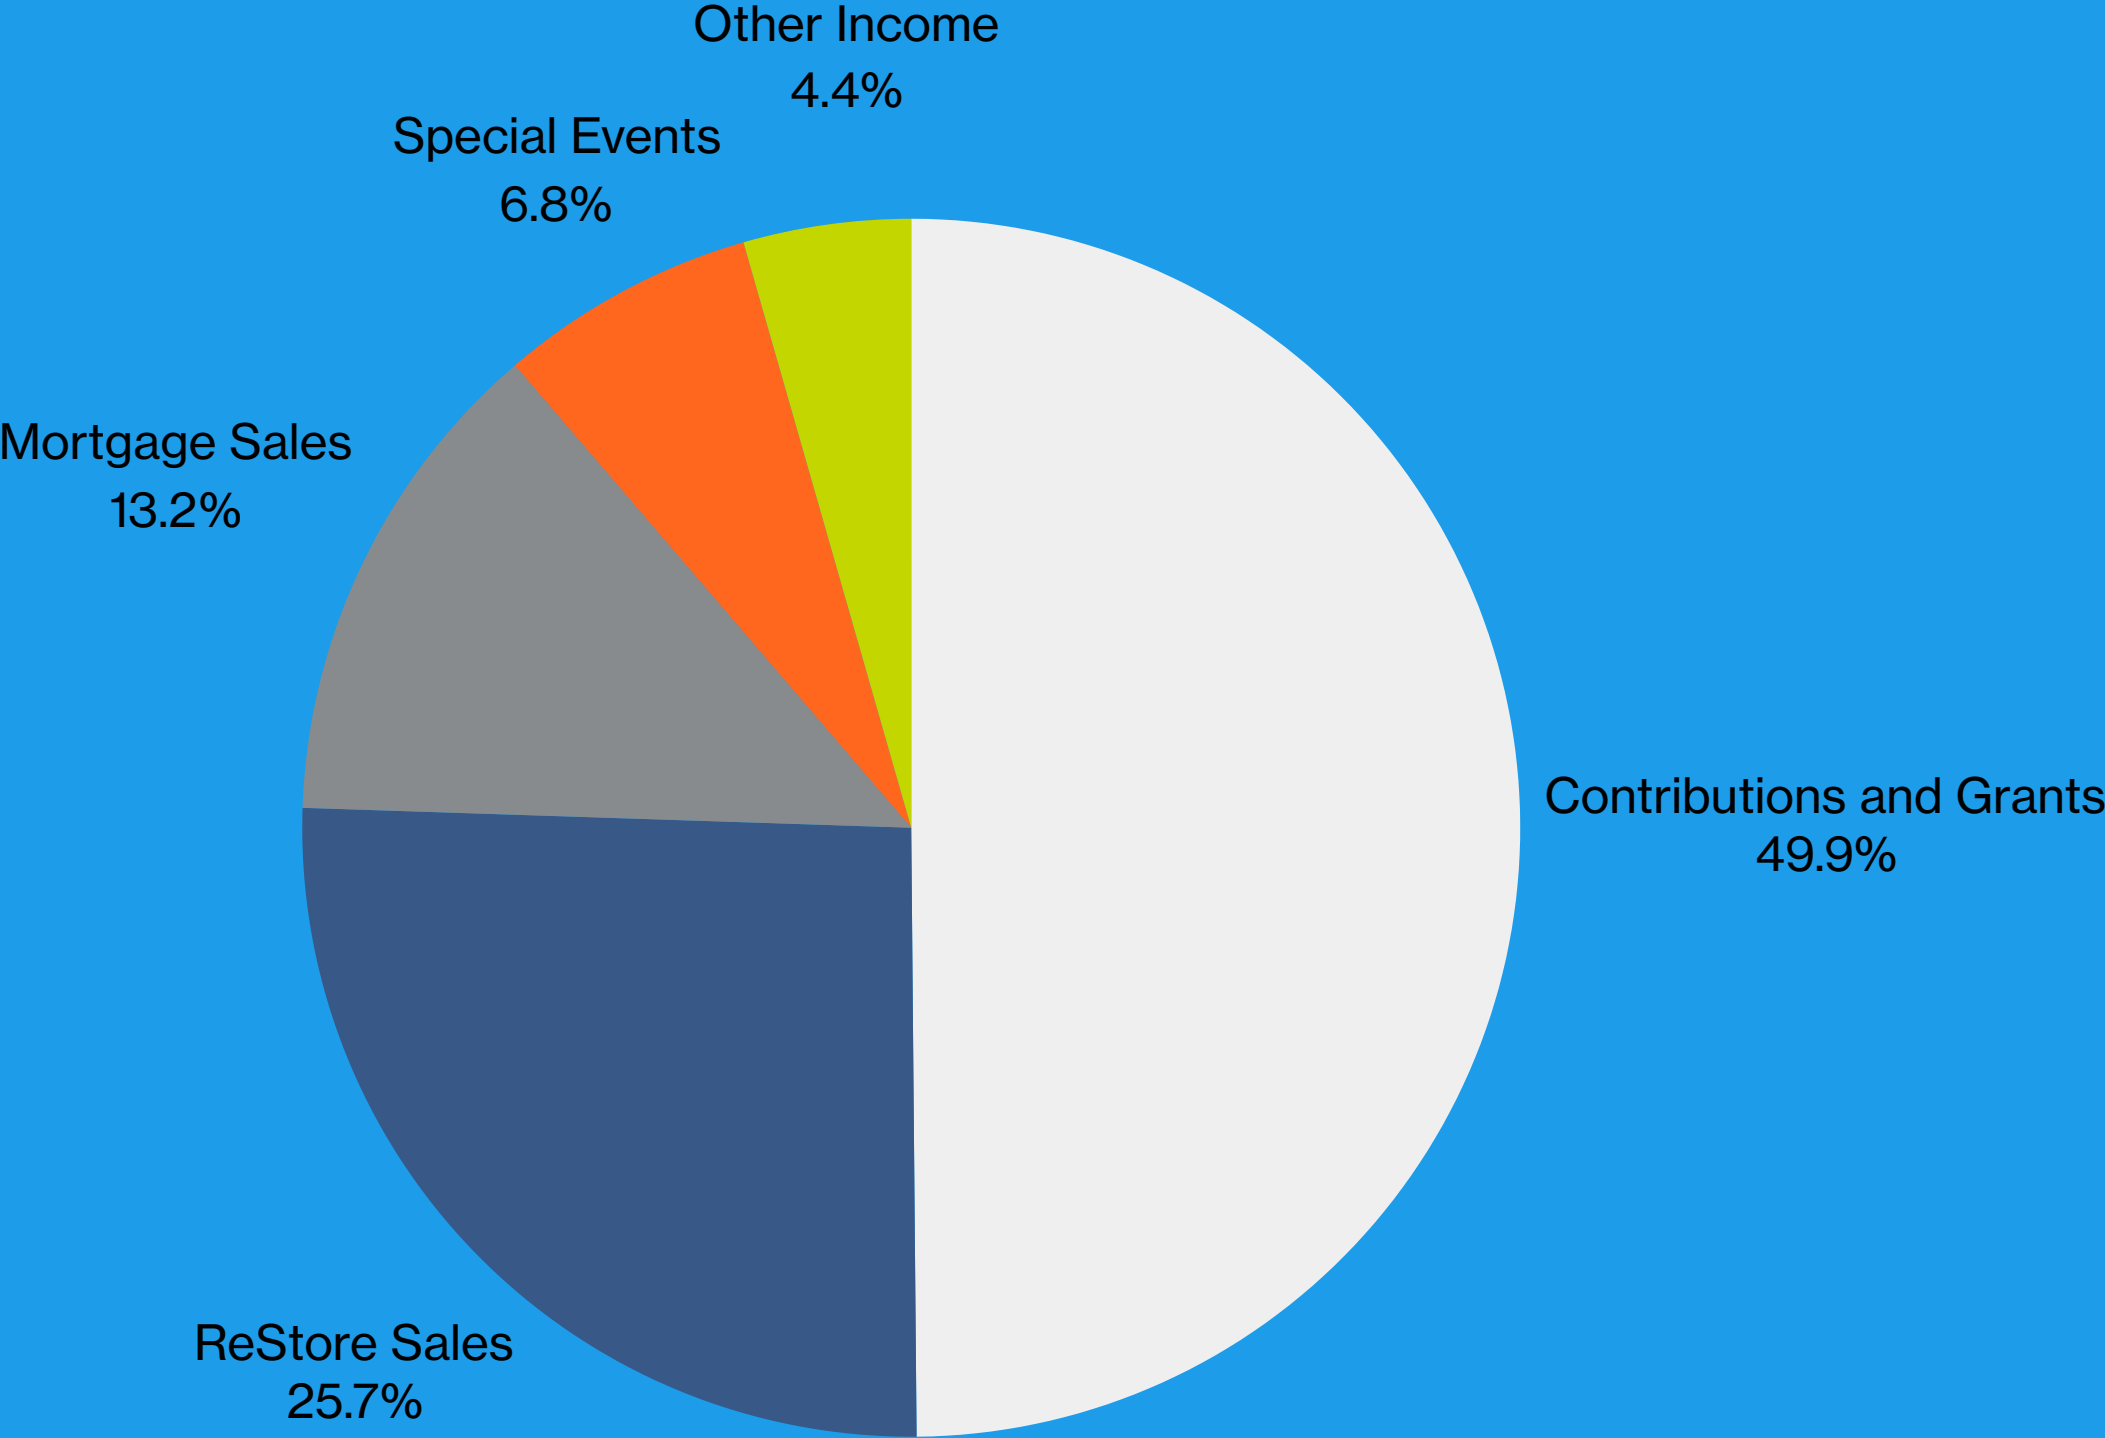

- Increase Supply
- Equitable Access
- Long Term Security

Habitat advocates for affordable housing solutions from homelessness to homeownership. In FY24 we participated in statewide, county based and regional advocacy coalitions and supported legislation and budget priorities that increased funds available for affordable housing by \$75M and are estimated to help more than 10,000 Marylanders.

FY24 Income

Revenue and Support	2024
Contributions and Grants	\$4,591,166
ReStore Sales	\$2,362,940
Mortgage Sales	\$1,215,616
Special Events	\$639,399
Other Income	\$409,027

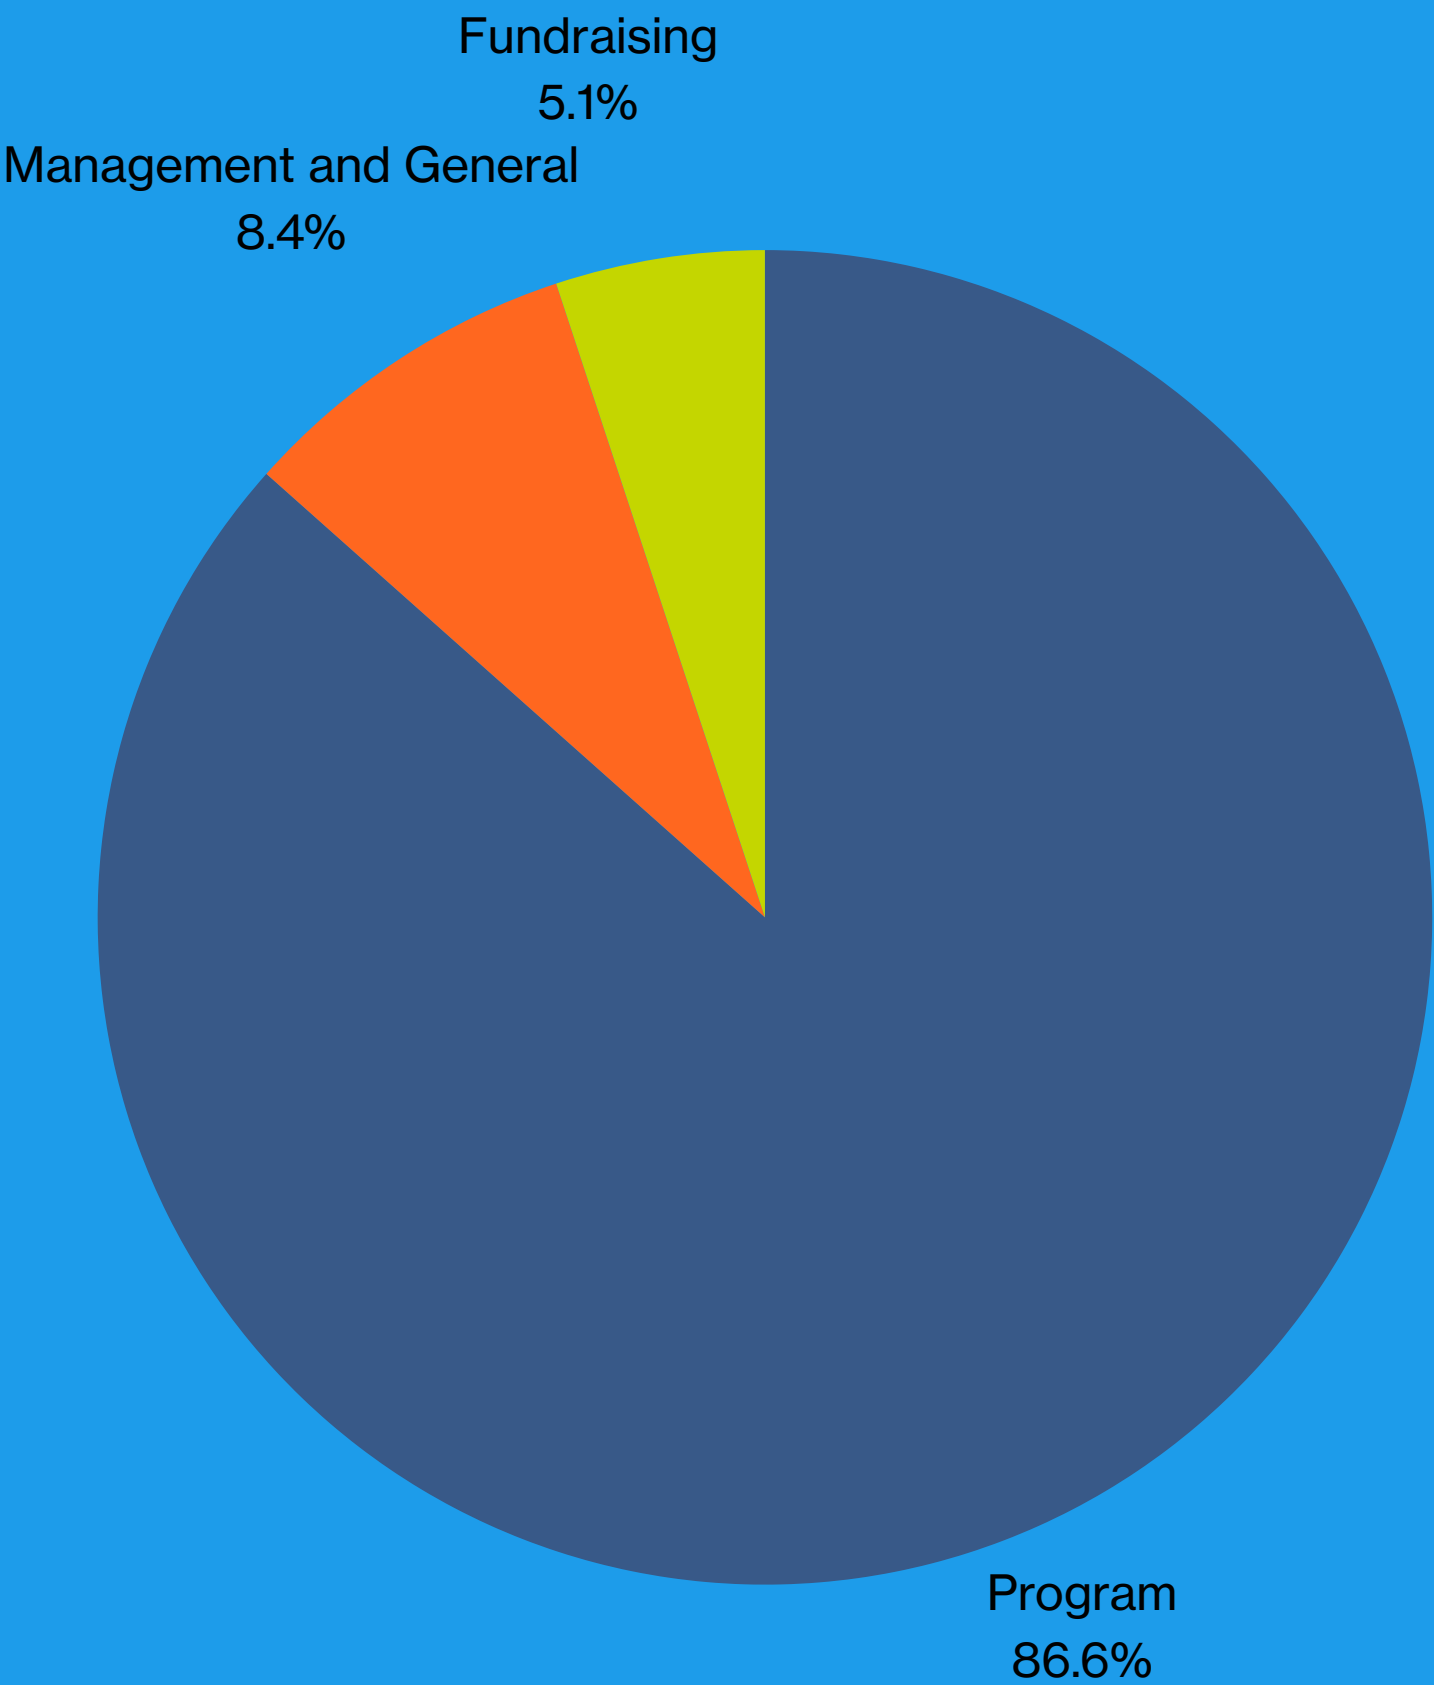

Total Income: \$9,218,148

FY24 Expenses

Expenses	2024
Program	\$7,965,017
Fundraising	\$769,563
Management and General	\$465,995

Total Expenses: \$9,200,575

SPECIAL EVENTS

Polo Classic

Habitat for Humanity Metro Maryland's 4th Annual Polo Classic took place on September 16, 2023, at the scenic Congressional Polo Club in Poolesville, MD. This vibrant "Derby"-inspired event brought together community members and local businesses, raising over \$80,000 for affordable housing initiatives.

Attendees enjoyed an afternoon filled with music, tailgating, and friendly competition, with prizes awarded for "Best Hat," "Best Dressed," and the newest addition, "Best Tailgate." It was an unforgettable celebration of style, community, and support for a great cause.

Benefit Breakfast

On November 2, 2023, Habitat for Humanity Metro Maryland proudly hosted its 15th Annual Benefit Breakfast for Affordable Housing. This inspiring event featured a panel discussion with notable leaders: Mary Jane Ennis, Principal of Georgian Forest Elementary School; Andrew Friedson, Montgomery County Council Vice President for District 1; and Pamela Wilson, Chief Housing Development Manager for Prince George’s County Department of Housing and Community Development (DHCD). Attendees also heard a moving story from a Habitat Family Partner, who shared her personal journey. Additionally, guests received updates on our current projects and future plans to expand our impact in Montgomery and Prince George’s Counties. Thanks to the generosity of our supporters, we raised nearly \$94,000 to further our mission of providing affordable housing for families in our local community.

Women Build

Women Build is a multi-month event where women join together and work to recruit, nurture, train, and empower women in Montgomery and Prince George's Counties to address and help solve the housing crisis in their own neighborhood. Our program encourages women (and all individuals that wish to participate) to become empowered to break down stereotypes, learn the skills needed to build a home, help raise awareness about the critical need for affordable housing, and raise funds to build more affordable homes. This year, over 65 teams of up to 10 members came together to help local families build a decent and affordable place they can call home. Raising more than \$355,000 from individuals and businesses in our community, these participants helped to transform lives by making decent and affordable housing a reality for people in need. During FY24, Women Build teams worked to complete multiple affordable homes at Allium Place, Montgomery Village and Upper Marlboro.

Golf Tournament

On Friday, May 31, 2024, nearly 140 golfers gathered for Habitat for Humanity Metro Maryland's 19th Annual John Lippincott Memorial Golf Tournament at the renowned Whiskey Creek Golf Club in Ijamsville, Maryland. This exciting event raised nearly \$145,000, directly supporting Habitat's mission to build safe, affordable homes for lower-income families in Montgomery and Prince George's Counties. Participants enjoyed an 18-hole round on Whiskey Creek's award-winning course, alongside engaging activities such as a long drive pro, on-course contests, a BBQ dinner, auctions, raffles, and an awards ceremony. The tournament was a fantastic day of community and generosity, bringing us closer to our shared vision of affordable housing for all.

Global Impact

Habitat for Humanity is a global organization working in more than 70 countries across 5 regions; United States and Canada, Latin America and the Caribbean, Africa, Asia and the Pacific, and Europe and the Middle East. Habitat affiliates across the world have helped more than 59 million people improve their living conditions. It has always been Habitat for Humanity's mission to eradicate substandard housing worldwide. To achieve this mission and to recognize the interconnectedness of our work and the world, every Habitat affiliate is asked to send a percentage of its unrestricted fundraising to an affiliate in another country.

Since 1982, HFHMM has contributed \$620,000 to help build 171 homes internationally. For the past 9 years, HFHMM has shared resources with Habitat Nepal, supporting their efforts to recover from the earthquake of 2015. In addition to building and selling homes, Habitat Nepal has programs to empower youth, provide vocational training, create adaptable and disaster resilient home designs, strengthen the microfinance sector, and promote the use of environmentally friendly building materials. HFHMM is excited to partner with two additional countries in FY25.

HFHMM also supports the Global Village program, an opportunity for volunteers to help build decent and affordable housing around the globe. Our staff has participated in or led trips to Armenia, El Salvador, Fiji, Indonesia, Lesotho, Paraguay, Nepal, Macedonia, and Portugal.
