## About Us

“ Since we began, [we have worked] to build 107 new homes and completed 1096 home preservations projects

Founded in 1982, Habitat for Humanity Metro Maryland (HFHMM) creates opportunities for lower-income families to break the cycle of poverty through homeownership. We believe a decent place to live and an affordable mortgage enables homeowners to save more, invest in education, pursue opportunities and gain financial stability. Since we began, we have mobilized the community to work alongside families to build 107 new homes and complete 1096 home preservation projects throughout Montgomery and Prince George’s Counties.

In doing so, we have helped over 2,011 people realize strength, stability and self-reliance through affordable homeownership. We have issued over \$16 million in zero-interest financing and spent over \$24 million on construction in the local community. HFHMM’s programs serve lower-income families who earn up to 80% of the area median income (AMI), who cannot secure conventional financing for either purchasing a new home or making repairs to their existing property, and who live in substandard housing or experience significant housing cost burdens. Our partner families must also complete hundreds of hours of sweat equity to build their future home, creating a collaborative and empowering experience.

# Letter from Board Chairman

**Dear Friends of Affordable Housing,**

The 2025 fiscal year for Habitat for Humanity Metro Maryland (HFHMM) is once again a year to celebrate—with both gratitude and a sense of accomplishment. Congratulations to our incredible community for transforming the lives of 106 families across Prince George’s and Montgomery Counties through 168 completed projects. These accomplishments continue our more than 40-year legacy of providing affordable housing solutions, which now includes helping 2,011 people with 107 new and rehabilitated homes and 1,096 home preservation projects since our founding in 1982.

Thank you to our dedicated staff, whose tireless efforts in construction, home repair, community engagement, ReStore operations, and advocacy make this mission possible every day. And to our volunteers, donors, and partners—your generosity, skill, and unwavering belief in affordable housing as a foundation for thriving communities remain at the heart of all we do.

We continue to make meaningful progress toward our goal of expanding access to affordable homeownership, building strength and stability for families, and deepening our impact throughout the region. Highlights from this year include:

- **Expanding homeownership opportunities:** HFHMM completed its 107th home in Upper Marlboro, MD, and partnered with Queens Chapel United Methodist Church to acquire the Queens Chapel home, extending our shared commitment to faith-based collaboration and community renewal.
- **Delivering on large-scale community development:** As part of the Allium Place Community, HFHMM built 27 homeownership units—including 3 single-family homes and 24 condominiums—co-located within a vibrant mixed-income neighborhood of more than 160 rental units.
- **Rehabilitating homes through strategic acquisition:** HFHMM purchased 20 vacant homes in Montgomery Village from the Housing Opportunities Commission for rehabilitation and sale to lower-income families. These homes will be sold with 0% interest, 30-year mortgages priced at no more than 30% of the buyer’s household income, representing a replicable model for future affordable housing initiatives.
- **Engaging volunteers:** A total of 5,102 volunteers contributed 41,097 hours on construction sites, in ReStores, and through community engagement projects—turning compassion into action and making affordable housing possible across our region.
- **Sustaining ReStore impact:** Our 3,079 ReStore volunteers donated 28,221 hours, helping sell 209,842 donated items and generating \$2,353,331 in gross revenue to support Habitat’s mission while keeping usable materials out of landfills.
- **Contributing to economic growth:** Our work continues to generate measurable community benefit—\$24 million spent locally in construction and more than \$16 million in interest-free loans extended to families, enabling them to build stability and generational wealth.

Behind every number is a family, a neighborhood, and a story of perseverance and hope. Together, we are building affordable homes, stronger communities, and lasting opportunity.

To our volunteers, donors, community partners, and staff—thank you for another extraordinary year. Your commitment fuels our mission and ensures that Habitat’s promise of affordable housing remains a reality for families across Metro Maryland.

With deep appreciation and optimism for the future,

**Nicholas Serenyi**  
Chair, Board of Directors, Habitat for Humanity Metro Maryland

# Our History

1982 - 2025

# Our History

1982 - 2025

# Our Impact

## Since 1982

**107** : Homes Constructed

**1096** : Home Preservation Projects

## In FY25

**168**: Projects Completed

**106**: Families Impacted

## Economic Impact

\$24 million spent in local construction

Over \$16 million in zero interest loans extended to families

## Homeownership Success Stories

**Allium Place****195 high quality, affordable rental and ownership opportunities**

Allium Place, an innovative community located near the intersection of Randolph Road and Veirs Mill Road, is the result of a unique collaboration between Montgomery County, AHC, Inc., and Habitat for Humanity Metro Maryland (HFHMM). Together, we transformed 6.2 acres of formerly county-owned land into a vibrant, transit-oriented, mixed-income neighborhood that offers both affordability and opportunity. This strategic partnership created 195 high-quality, affordable rental and ownership properties in Silver Spring, Maryland.

HFHMM built 27 homeownership units as part of the larger Allium Place community, which co-located 3 single-family detached homes and 24 owner-occupied condos on a larger parcel with 160+ rental units.

## Homeownership Success Stories

**Ms. Howell**

“My name is Naquena Howell, I am a lifelong resident of Prince Georges County, MD and the parent of two beautiful children my son and niece both whom reside with me. My journey with Habitat for Humanity Metro Maryland began in December 2017 with an information session held at Prince Georges County Community College since that initial meeting I’d applied for a few properties that HFHMM offered the first application was denied due credit, the second was declined due to lack of inventory yet and at last the third time was the charm.

Since the meeting in 2017 my children and I moved a few times in search of decent living that I could afford. Unfortunately, I found the apartments in Prince Georges County too expensive based on my salary with the pre-requisite of three (3) times the rent. I’m currently renting two (2) rooms in shared housing. The conditions are not the best for several reasons; we share our home with smokers and both children have asthma. I also suffer from a heart condition that made climbing the stairs very tiring for me.

## Homeownership Success Stories

# Ms. Howell

“I decided to apply for the Habitat for Humanity Metro Maryland Home Purchase Program after attending the info session back in December 2017. I was not aware that Habitat offered lower-income homes for sale and purchase.

This home is everything for my family, it will give my children their own bedrooms, it will be a safe place to call their own, we’ll no longer need to live behind locked doors. They’ll enjoy the benefits of developing friendships with neighborhood kids and not being ashamed to bring people over. Once, I received the phone call that I’d been selected I dropped the phone and began to cry, my niece also cried my son was happy the home will be in an area that he’s already familiar with. Everyone is excited that we’ll be moving out of a home where people smoke to healthier environment.

I’m most excited about my children having rooms of their own, being part of a neighborhood and community and someplace to permanently call home.”

## Homeownership Success Stories

# Montgomery Village

Habitat for Humanity Metro Maryland (HFHMM) purchased 10 HOC-owned properties across Gaithersburg in April 2024 for rehabilitation and sale to lower-income families. All 10 homes will be sold to qualified future homeowners with a 0% interest 30-year mortgage at a price not to exceed 30% of the homebuyer's income.

When HFHMM purchases a home, the home is rehabilitated to ensure sustainable quality and performance. The process is comprehensive and typically includes new or updated roofs, windows, HVAC, plumbing, electric, flooring, cabinets, trim and finishes as well as considerably enhanced insulation. Our rehabilitation approach is focused on ensuring that homebuyers benefit from long-term durability and sustainability.

HFHMM successfully purchased an additional 10 properties in October 2024. We are hopeful that these homes can serve as a model for future acquisitions from HOC.

# Volunteers

Volunteers are the hands, hearts and voices for our mission to provide affordable homeownership solutions. In FY25, Habitat for Humanity Metro Maryland engaged over 5,000 individual volunteers in our offices, ReStores, and on our construction sites for more than 41,000 hours. All of these efforts combined saved HFHMM over \$1M in FY25.

»» **Total FY25 Volunteers: 5,102**

»» **Total FY25 Hours: 41,097**

»» **Total FY25 Saved: \$ 1,429,764**

# ReStore

## Together, we build opportunity.

Habitat for Humanity ReStores play an integral part in Habitat’s mission, generating unrestricted revenue for our work. This enables more homeowners to achieve the strength, stability and self-reliance they need to build better lives for themselves and their families.

Habitat for Humanity Metro Maryland proudly owns and operates two ReStores. From its humble beginnings in a cramped space on Gaither Road in Gaithersburg in 2006, ReStore has become one of the largest contributors to HFHMM’s affordable housing program in Montgomery and Prince Georges Counties.

## ReStore

By purchasing and donating to the ReStore, everyone not only gets great deals on materials, they also help fund the construction of homes in our local community and divert tons of materials from the landfills. Our sustained success and exceptional product offerings are a direct result of the communities we serve. We are committed to maintaining a strong community partnership.

»» **Total FY25 ReStore Sales: \$2,353,331**

»» **Total FY25 Items Sold: 209,842**

Programs

# Home Preservation

Habitat for Humanity Metro Maryland’s Home Preservation Program helps homeowners remain safely and comfortably in their homes by addressing critical health and safety repairs, accessibility modifications, and climate resiliency needs. The program is open to everyone who is income qualified; however, the program typically serves older adults, veterans, and families with lower incomes across Montgomery and Prince George’s Counties.

Through a whole home approach, HFHMM addresses issues such as roofing, plumbing, and HVAC repairs, while also incorporating accessibility modifications like grab bars, ramps, and stair glides to support aging in place. In recent years, the program has expanded to include climate resiliency upgrades such as whole home electrification, energy efficiency improvements, weatherization, and solar panel installation, to lower utility costs and improve indoor safety and comfort.

## Programs

# Home Preservation

Our work is made possible through partnerships with local county and state agencies, utility providers, and private funders, allowing us to leverage multiple sources of funding to maximize impact. Each project is delivered by a dedicated team of staff and licensed contractors committed to preserving affordable homeownership and strengthening local communities.

By helping residents remain in their homes, the home preservation program not only improves living conditions but also protects generational wealth, reduces displacement, and promotes healthier and more sustainable neighborhoods throughout our region.

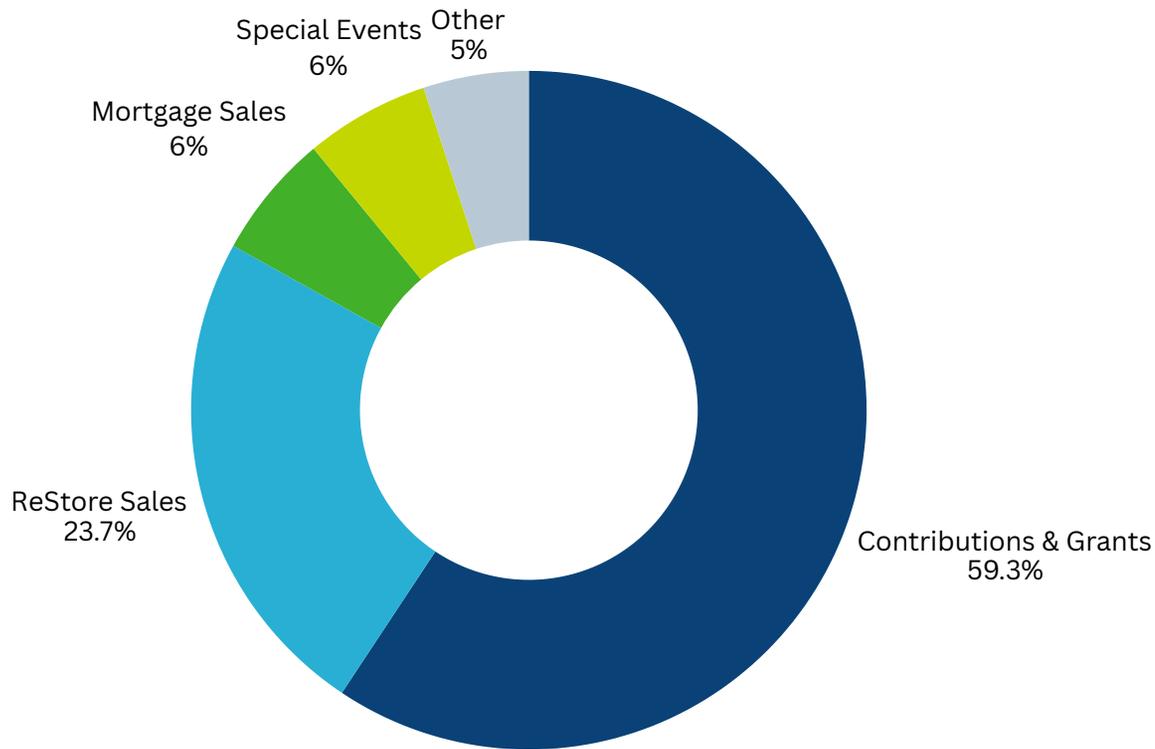

»» **FY25 Repair & Accessibility Projects: 112**

»» **FY25 Climate Resiliency Projects: 55**

»» **FY25 Total Home Preservation Projects: 167**

## Special Events

# Polo Classic

Habitat for Humanity Metro Maryland’s 5th Annual Polo Classic took place on **October 6, 2024**, at the scenic Congressional Polo Club in Poolesville, MD. This vibrant “Derby”-inspired event brought together community members and local businesses, raising funds for affordable housing initiatives.

Guests enjoyed an afternoon filled with music, tailgating, and friendly competition, with prizes awarded for “Best Hat,” “Best Dressed,” and the newest addition, “Best Tailgate.” It was an unforgettable celebration of style, community, and support for a great cause.

## Special Events

# Benefit Breakfast

On November 15, 2024, Habitat for Humanity Metro Maryland proudly hosted its 16th Annual Benefit Breakfast for Affordable Housing at the Hilton Rockville. This inspiring event featured an engaging panel discussion with distinguished leaders: Tawfiq Abdul-Karim, Senior Associate at the Community Preservation Trust, and Ken Silverman, Vice President of Government Affairs at the Housing Opportunities Commission.

Guests also heard a powerful testimony from a Habitat Repair Partner client, who shared her personal journey and the positive impact Habitat's work has had on her life. HFHMM's President & CEO shared updates on current projects and future plans to expand our impact across Montgomery and Prince George's Counties.

Thanks to the incredible generosity of our supporters, we raised over \$100,000 to advance our mission of providing affordable housing for families in our local community.

## Special Events

## Women Build

Women Build is a multi-month event where women join together and work to recruit, nurture, and empower women in Montgomery and Prince George's Counties to address and help solve the housing crisis in their own neighborhood. Our program encourages women (and others) to become empowered to break down stereotypes, learn the skills needed to build a home, help raise awareness about the critical need for affordable housing, and raise funds to build safe and affordable homes.

The Women Build season kicked off with a Launch Party at Davis Construction's headquarters in Rockville, MD. More than 65 teams—each with up to 10 members—came together to help local families achieve the dream of a decent, affordable homeownership. Together, we raised over \$300,000 from individuals and businesses across our community, transforming lives and making affordable housing a reality for those in need. Throughout FY25, Women Build teams contributed to the completion of multiple affordable homes in Allium Place, Montgomery Village, and Beltsville.

## Special Events

# Golf Tournament

This year Habitat for Humanity Metro Maryland celebrated its 20th Annual John Lippincott Memorial Golf Tournament.

On Friday, May 30, 2025, nearly 140 golfers gathered at the renowned Whiskey Creek Golf Club in Ijamsville, Maryland, for Habitat for Humanity Metro Maryland's signature fundraising event. The tournament raised more than \$180,000 to advance Habitat's mission of building safe, affordable homes for lower-income families in Montgomery and Prince George's Counties.

Participants enjoyed an 18-hole round on Whiskey Creek's award-winning course, complemented by engaging activities such as a long drive pro, on-course contests, a BBQ dinner, auctions, raffles, and an awards ceremony. The day was a powerful demonstration of community spirit and generosity—helping move us closer to a future where everyone has a decent place to call home.

# Advocacy

Habitat for Humanity Metro Maryland believes everyone should have access to safe, stable, healthy, resilient and affordable housing. We must ensure everyone has access to communities of opportunity and high quality, affordable housing. Habitat supports housing along the continuum but is hyper-focused on access to and preservation of homeownership, ensuring families can build and maintain generational wealth.

Habitat advocates for affordable housing solutions addressing homelessness to homeownership. In FY25 we participated in statewide, county and regional advocacy coalitions and supported legislation and budget priorities that increased funds available for affordable housing by \$22.5M and are estimated to help more than 13,000 Marylanders with affordable housing solutions.

## HFHMM focuses on policies in the following areas:

**1**

Increase  
Supply

**2**

Equitable  
Access

**3**

Long-Term  
Security

## Global Impact

Habitat for Humanity is a global organization working in more than 70 countries across 5 regions: United States and Canada, Latin America and the Caribbean, Africa, Asia and the Pacific, and Europe and the Middle East. Habitat affiliates across the world have helped more than 62 million people improve their living conditions. It has always been Habitat for Humanity's mission to eradicate substandard housing worldwide. To achieve this mission and to recognize the interconnectedness of our work and the world, every Habitat affiliate is asked to send a percentage of its unrestricted fundraising to an affiliate in another country.

In FY25, HFHMM tithed to three country partners: Habitat Nepal, Habitat El Salvador, and Habitat Ethiopia. HFHMM also supports the Global Village program, an opportunity for volunteers to help build decent and affordable housing around the globe. Our staff has participated in or led trips to Armenia, El Salvador, Fiji, Indonesia, Lesotho, Paraguay, Nepal, Macedonia, and Portugal.

**Since 1982, HFHMM has contributed more than \$620,000 to help build 173 homes internationally.**
